

**Island Roots  
The McLane Family History**

**The Ancestors of  
James Patrick McLane  
and  
Enid Ione McLean**

A centuries long story that comes from stories told by descendants, family records and photos, original genealogical research, and historical perspectives.

The story is illustrative of the lives of four great families:

the McLeans from Scotland,  
the McLanes from Ireland,  
the Jensens from Denmark and  
the Samsons from Iceland.

Compiled and researched by  
**Dennis B. McLane**
